WINE PORTFOLIO

Wine Portfolio:

Eat | Drink | Travel

Connect with our
worldwide audience of
high net worth luxury
lifestyle consumers

Wine Portfolio is a multi-platform media property that celebrates the world of wine: great bottles, wonderful collecting opportunities, glorious locations, and the people, places and passions that make viniculture more than a business, but a glorious obsession and a way of life.

By providing focused multimedia content to wine aficionados and beginners, Wine Portfolio combines the high profile and wide audience appeal of broadcast television, with the in-depth coverage and intimate experience of the Internet.

Wine Portfolio is a celebration of luxury travel, unique experiences and touching cultural expressions. The series showcases both wine producing regions and places of world class food and wine consumption... exclusive restaurants, wonderful wine lists, luxury hotels and first class travel opportunities.

Fans from around the world connect with Wine Portfolio and Host Jody Ness on multiple weekly primetime, weekend and weekday broadcasts on CNBC World in addition to our Web, Social Media and best selling iPhone/iPod/iPad Mobile App.

The Wine Portfolio audience is passionate, mobile and highly engaged. With over 64,000 Twitter Followers, the Wine Portfolio community is strong, loyal and ever growing.
